Amendment #2: Grading System

The grading system is as follows:

Letter Grade	Numeric Grade	Grade Points
A	90-100	4.0
B	80-89	3.0
C	75-79	2.0
F	0-74	0.0
I	0.00	
W	0.00	

**The minimum passing grade for all Nursing Programs is 75%.*

Amendment #3: Institutional Loans and Late Payment Policy

Institutional Loans

Antigua College International makes institutional loans available to students in order to defray tuition and education costs. Any student receiving this loan is required to make monthly in-school payments as agreed to on the Enrollment Agreement. See also *Late Payment Policy* below. At least sixty percent of the total institutional loan must be paid by time of program completion. A student that has not paid at least sixty percent of the institutional loan will not be eligible to graduate.

Late Payment Policy

Tuition payments are due by the due date listed on a student’s Enrollment Agreement. Payments not made in full by the due date are considered late. A late payment fee in the amount of \$15.00 or 10% of the installment payment, whichever is lesser, will be applied to the student’s account one day after the due date. Any student who is late with a payment may be removed from class and/or not allowed to progress until the account is made current.

Further:

- Any student thirty days past due on their monthly payment will not be allowed to enroll in a new class.
- Any student sixty days past due on their monthly payment will automatically be withdrawn for non-payment.

Amendment #4: General Graduation Requirements

General Graduation Requirements

Students will be eligible for graduation only if their academic, laboratory and clinical progress in the program are satisfactory with a minimum final grade of 75%. Students must have a minimum attendance rate of 90% of the scheduled classroom/clinical time each calendar month after subtraction of excused absences. Students are required to successfully pass two exit exams; but, to be eligible for the exit exams they must have first completed and passed all the courses pertaining to their program of study.

Regardless of program, a student is eligible for graduation under the following conditions:

- Successfully pass all courses with a minimum cumulative grade point average of 2.0 (C).
- Successfully pass all courses with a GPA of 2.0 (C).
- Complete all required assignments and skills test with satisfactory evaluations.
- Complete all required clinical hours and obtain satisfactory evaluations.
- Successfully pass the two corresponding Exit Exams, of the college’s choosing.
- Financial account must be current and at least 60% of the total institutional loan must be paid.
- Complete exit interviews with Program Director and Education Director.

Amendment #5: Additional Non-Tuition Fees

Amendment #6: Accreditation, Licenses, Approvals

As of the start of the 2017-2018 academic year, Antigua College International is seeking institutional accreditation through a national accreditation board; however, the college has been licensed by the Commission for Independent Education (CIE), License #4930, since 2013*. Any additional information regarding the institution may be obtained by contacting the CIE at the address and telephone number listed below:

Commission for Independent Education
 Department of Education
 325 West Gaines Street, Suite 1414
 Tallahassee, Florida 32399
 (888) 224-6684
<http://www.fldoe.org/cie>

* The *English for Speakers of Other Languages* certificate program is not licensed, nor under the purview of, the Commission for Independent Education.

Amendment #7: Drop-Add Period and Voluntary Course Withdrawal

The Drop-Add period at Antigua College International is defined as the first week of class meetings for each course start (see page 65 for the Drop Deadline Matrix). The student must notify the Education Department in writing which can be via email or by submitting the official drop form completed in person at the college.

- Course Add:
 - With the Program Director's permission, a student can choose to add a course to his/her schedule within the Drop-Add period, but only if space is available in that class. A student may not add a course after the Drop-Add period.
- Course Withdrawal:
 - Drop with Attempted Credit Reversal:
 - A student may voluntarily withdraw from a course within the Drop-Add Period without penalty. No penalty is incurred only if the student notifies the Education Department of the intention during the Drop-Add Period. If notification is received after the Drop-Add Period, the student is not eligible for a credit reversal.
 - If a student fails to attend class during the Drop-Add Period without notifying the Education Department, s/he will automatically be dropped from the class at the end of the Drop-Add Period and will receive a credit reversal.
 - Withdrawal without Attempted Credit Reversal:
 - A student may voluntarily withdraw from a course after the Drop-Add Period at any point prior to the Midterm exam without reversal of Attempted Credit. However, the student must notify the Education Department of his/her intention to drop a course, in person or in writing. This student will receive a grade of "W", will incur Attempted Credits, and will be financially responsible for the associated course credits.

PLEASE NOTE:

[i] Failure to notify the Education Department of intent to withdraw will result in a course failure.

[ii] The student will not be allowed subsequent drops of the same course.

[iii] Once the midterm exam has been administered in the course, completion of the course is obligatory regardless of its outcome (e.g. failure). The student cannot withdraw.

Amendment #10: Practical Nursing (PN) Program Description**Practical Nursing (PN), Diploma Program****Program Description**

The purpose of this program is to prepare the student for employment as a practical nurse by providing the theoretical knowledge and clinical competence to obtain licensure and the standard of professionalism necessary for the successful practice of nursing. The college awards a certificate upon the successful completion of this Clock-Hour program. Practical Nursing is an intensive, full time program, which requires 1355 clock hours.

Amendment #14: Admission Requirements**Admission Requirements for All Applicants**

All applicants wishing to enroll at Antigua College International must fulfill the following requirements:

1. Visit the campus for an admission interview
2. Submit proof of high school graduation or GED
3. Submit a copy of photo identification card (e.g. driver's license, passport, alien registration card)
4. Submit a copy of social security card
5. Pay the registration fee
6. Complete all admission documents (i.e., admission application, enrollment agreement, etc.)

Additional or Advanced Admission Requirements

- A. Applicants seeking to enroll in the ASN or BSN programs must fulfill the following requirements:
 - a. Submit official transcripts of transferrable college credits. (See Transfer Credit section on page 13 for additional details.)
 - b. If the applicant cannot show proof of college credit, s/he will need to pay for and pass an entrance exam with a score of 75% or higher. The entrance exam may be taken before or after completion of the general education courses; but must be passed prior to entering a core nursing course.
- B. Applicants seeking to enroll with educational documentation from a foreign country:
 - a. Applicants who have graduated from an institution of higher learning (college or university) outside of the United States and its territories will need to provide an original copy of a qualitative and quantitative equivalency of the foreign degree, education program(s), and specific courses. The applicant must use a verifiable credential evaluation agency that has published standards for membership, affiliations to U.S.-based international higher education associations, and are frequently linked to and used by federal agencies, state agencies, educational institutions and employers (e.g., NACES and AICE).
 - b. Applicants who have graduated from a high school outside of the United States and its territories, but have also provided evidence of higher education, will need simply to sign a high school attestation form in addition to proof of higher education as described above.
 - c. Applicants who have graduated from a high school outside of the United States and its territories, with no evidence of higher education, will need to provide an original copy of a qualitative and quantitative equivalency of the foreign high school graduation from a verifiable credential evaluation agency as described above.
- C. Applicants seeking to be awarded advanced placement based on a nursing license must fulfill the following requirements:
 - a. Submit official transcripts reflecting an awarded credential. The transcript *must* clearly indicate the credential that was awarded.
 - i. Practical Nursing Program from a Board of Nursing approved program
 - ii. ASN Program from a Board of Nursing approved institution with a minimum of 70 credits.
 - b. Submit a copy of active PN or RN license. The license must be current in the State of Florida, and be in good standing.
- D. At this time, Antigua College does not offer credits or considerations for Experiential Learning.

Amendment #15: End of Course Exam Policy**End of Course Exam Policy**

The End-of-Course Exams are in effect for the following courses in the ADN/BSN program

- Fundamentals of Nursing II
- Pharmacology II
- Medical Surgical Nursing III

These exams are standardized tests presented at the college's discretion. They may be a HESI or an ATI exam.

For students seeking RN licensure, the exams will be scheduled at the immediate end of each of the courses above, the date and time of which will be announced in advance. Students are allowed one retake of the end of course exam, at the date and time specified by the college. If a student fails to sit for the exam, s/he will need to retake the entire course.

Amendment #16: Exit Exam Policy

Upon completion of all other courses and clinical requirements, students seeking RN licensure will have two opportunities to pass the NCLEX Readiness course (NUR290) which includes two Exit Exams of the college's choice in order to be eligible for graduation. If the student does not pass both exams, then the student will fail the course (NUR290) and must retake it. If the student fails to pass the course a second time, the student will automatically be withdrawn from Antigua College International.

Please note: Along with the other required course elements, the student will need to pass both exams during the course retake regardless of any exam passed in the first attempt. No credit or test scores will be carried over from a previous attempt.

Upon completion of all other courses and clinical requirements, students seeking PN licensure will have two opportunities to pass the NCLEX Readiness course (PRN 934) which includes two Exit Exams of the college's choice in order to be eligible for graduation. If the student does not pass both exams, then the student will fail the course (PRN 934) and must retake it. If the student fails to pass the course a second time, the student will automatically be withdrawn from Antigua College International.

Please note: Along with the other required course elements, the student will need to pass both exams during the course retake regardless of any exam passed in the first attempt. No credit or test scores will be carried over from a previous attempt.

RN-seeking students required, based on their college enrollment dates, to take Exit Exams but not NUR290 must also pass both Exit Exams to be eligible for graduation. The Exit Exams must be taken at the dates/times assigned by the college, within 70 days of the completion of all other courses and/or clinical requirements. Students will have two opportunities to pass each exam. If the student does not pass both exams, then the student will be enrolled in the NCLEX Readiness course (NUR290) and will need to pass the course or be dismissed from the college.

The passing scores for the Exit Exams are as follows:

- 900 points for a HESI-style scoring exam
- 70.0% for an ATI-style scoring exam

Amendment #17: Probation (Course Failures)**Probation**

Probation is intended to assist the student in achieving acceptable disciplinary, academic or attendance thresholds. Any student that has a disciplinary, academic or attendance issue may be placed on probation until s/he attains

satisfactory improvement. A student will be advised by the instructors, via verbal or written form, of specific areas of improvement. If the instructor warnings are not heeded or acted on, the student will not be allowed to remain in or attend class until a meeting with the Program Director and/or the Director of Education is achieved. Administration will follow the following procedures as needed:

Verbal Warning: A documented verbal warning will be issued to the student with specific instructions on corrective actions. If issue persists and corrective actions are not met, the situation will be escalated to a written warning.

Written Warning: A written warning will be issued to the student with specific instructions on corrective actions including a detailed timeframe. If issue persists and corrective actions are not met by the designated timeframe, the situation will be escalated to a probation status.

Probation: Student will be placed on probation with specific instructions on corrective actions, including a detailed timeframe (according to SAP evaluation periods). All contingencies must be met within the allotted timeframe in order to be removed from probation status. If the issue persists and corrective actions are not met by the designated timeframe, the student's probation may be extended for an additional evaluation period. Students not meeting standards after the extension will be withdrawn from their program of study and will be processed as a drop and all refund policies will apply.

These steps are intended for a progressive escalation; however, steps may be skipped depending on the severity of the situation. Students who fail a course will automatically be placed on academic probation. During the probation period the student may be required to complete 45 hours of strategies/content review before he/she may re-enter a core course. Students who fail a second course will be withdrawn or given the opportunity to transfer to the college's Practical Nurse Program.

Amendment #18: Course Retake Policy

Course Retake Policy

A student will be financially responsible for retaking a course regardless of the reason for retake (failure or withdrawal). The student will be charged tuition for each retake.

A student may voluntarily withdraw outside of the Drop-Add Period, earning a grade of W, at any point prior to the midterm exam. Once the midterm exam has been administered in the course, completion of the course is obligatory regardless of its outcome (e.g. failure). Only one voluntary withdrawal is allowed per Course Number within the student's chosen program. E.g.: A student who drops course NUR120 outside of the Drop-Add Period, resulting in a grade of W, will not be allowed any subsequent drops of NUR120. required

Amendment #19: SAP Sanctions

Sanctions

If a student does not meet the minimum SAP standards, the student will be placed on a warning status for the following term.

- If at the end of the warning term, the student meets the minimum SAP standards, the student will be returned to active status. A student may not have two consecutive warning terms.
- If the minimum SAP standards are not achieved by the end of the warning term. The student may continue taking classes for one additional term but will be placed in a status of probation.
- If the student does not meet the minimum SAP standards after the additional term (probation). the student will be dismissed from the college.

The student will be notified in writing of each change in their SAP status.

A student who has been dismissed may appeal for reentry as described in the appeals section of the catalog (page 20); however, s/he may not appeal the SAP status. If granted reentry, the returning student will retain the same SAP status that was in place when s/he was dismissed. Course withdrawals (W), incomplete grades (I), non-credit and/or remedial courses, and non-punitive grades (pass/fail) do not affect credit completion and cumulative grade point average (CGPA). While transfer credits (TC) do not count toward the CGPA, they will count toward earned/completed credits and the maximum allowable (150%) timeframe. Course retakes will be calculated into a student’s CGPA and count toward total attempted and earned credits and the maximum allowable (150%) timeframe.
